

Now offering MyHomeWorks™

Improve your home's efficiency and save money.

Want to know how much energy your home consumes and where you can make improvements? Need a safe, organized way to catalog your home assets, photos, personal documents and emergency contact information? How would you like to realize immediate savings in your electricity costs?

As part of our HOME SYSTEMS PROTECTION coverage we now offer access to MyHomeWorks, an easy-to-use, online suite of home management tools. There's no cost; it's a complimentary service for our HOME SYSTEMS PROTECTION insureds.

Key features of MyHomeWorks:

Home Energy Score – In minutes, you can calculate your home's efficiency, potential energy cost savings and get information customized to improve your home's efficiency and lower your energy costs.

Home Inventory Tool – Upload pictures, receipts, and enter other pertinent information regarding your home's assets or personal records, for a catalog stored "off-site" allowing quick recovery of information should a crisis strike.

Home Efficiency Center – Packed with ideas and information, this is a go-to resource for selecting, using and maintaining household systems.

Virtual Home Tour – A fun, interactive way to find energy and money saving opportunities in every room of your house.

Register now...

To access MyHomeWorks you need to set up a user id and password. It's easy, just follow these steps:

1 Enter the following in your browser:

www.myhomeworks.com/mhw/dakotafarmmutual/default.aspx

2 Click on the new user link at the top of the screen. Complete the profile information and click Submit.

3 You will receive an email to verify your email address. Click on the link contained in the email to complete your registration.

Log in and start!

Enter your user id and password and start using the MyHomeWorks tools. If you run into any problems or have questions, live chat, FAQs and online support are available to assist you.
